Marisa, Sogand, Amanda (possibly aka Sogand),

Please stop sending me correspondence like this. It has already been established that Amanda Sow (Sogand Zamani claims to be her) and Sogand Zamani are not competent to represent Kim in any matter. If I ever appear in a court room with either, I will be asking that they be removed as Kim's representative, immediately.

Please respond to my previous requests (including requests by phone that you wrote down and repeated back to me that I still do not have responses to) and current:

Are you familiar with the recent disclosures of the "Spectre" and "Meltdown" bugs/flaws in most central processing units?

What about the earlier disclosures in Wikileaks' "Vault7" and other exposed NSA tools?

Please read this NY Times article about "Spectre" and "Meltdown", in addition to doing your own research: <https://www.nytimes.com/2018/01/15/technology/personaltech/meltdown-spectre-bugs.html>

It may not be safe to access or transfer the Bitcoins you refer to at this time.

Kim and I have not separated (see prior communications). The Bitcoins are community property. Kim's income is community property and she has taken away my access to it.

I had planned, with Kim, to sell some of the Bitcoins when the price was about \$20,000. Instead of going through with that plan, Kim's parents kicked me out of their house and Kim basically abandoned me and our cats.

I tried to deliver documents to you on two different occasions. I was never able to deliver documents to you on either occasion, because of your refusal to accept them.

I have discovered an additional false statement of fact (first sentence of final paragraph of the pdf you sent me in the email I am replying to). I will be filing another complaint with the Court of Appeals about it, in addition, for any other violations I find.

PLEASE SEND ALL REQUESTED MATERIALS IMMEDIATELY!

PLEASE ARRANGE FOR ME TO ACCESS ALL OF KIM'S ACCOUNTS IMMEDIATELY!

PLEASE ARRANGE FOR ME TO ACCESS ALL SYSTEMS OF ZAMANI & ASSOCIATES PLLC, IMMEDIATELY!

Blake
